

The annual ORT Brunch, began in 1972. For over 40 years, ORT has honored outstanding leaders of the general, Jewish, and ORT communities. Today, as ORT in Northeast Ohio builds for the future, we have launched the Northeast Ohio Region and used this opportunity to rename our award.

The Jewish Sage Maimonides outlines seven levels of charity; the highest level is to help a man help himself. This has always been and will continue to be, the essence of ORT's mission.

The annual award presented by ORT America will be known as **The Maimonides Award.**
